All our missions are hands-on experiences. Additionally, your mission may contain a significant amount of work in service to the poor. This service may be realized in the building of houses, the feeding of the hungry, the care of children and other activities that will bring love and hope to those who desperately need it. The expenses paid to attend your mission trip may be tax-deductible under Internal Revenue Code section 501(c)(3). Please consult your accountant or tax advisor for more information.
