Summer A, 2019

May 18 – June 28

greta9a1@erau.edu

What will we do in Iceland?

- See Geysir (the original geyser).
- Walk between continents.
- Tour a geothermal power plant.
- Explore Snæfellsjökull peninsula.
- Take a boat onto the ocean.
- Catch and eat fresh scallops.
- Watch puffins.
- See a glacier.
