Department Chair selects one:

- Approved for Advanced Placement: Work was completed as a part of a secondary school program or other non-scholastic experience. If completed after graduation from high school it was not of sufficient quality or quantity to qualify for the granting of college credit under advanced standing option. Advanced placement means that the particular course identified above is to be waived and marked on the evaluation as MET, and that the student must make up the credit in general electives or as indicated below in the section entitled Remarks/Conditions.
- Approved for Advanced Standing: Work was completed as a part of and appropriated post-secondary educational training experience or program, covered the material inherent in the above identified course, and was complex enough to give the student the required expertise and knowledge. Credit is granted and posted to the student's transcript for the above.
- Not approved for Either Advanced Placement or Advanced Standing: Course equivalency examination or completion of the above course is required in order for credit to be awarded.
