VEX Scholarship Application

The purpose of the Embry-Riddle VEX Scholarship is to allow VEX and Embry-Riddle Aeronautical University to recognize high school students who have displayed significant achievements in education and leadership during their high school career. The award will be up to $5,000 annually.

As a candidate for an Embry-Riddle VEX Scholarship, the scholarship selection committee will review your academic records, standardized test scores, GPA, class placement, co-curricular and leadership activities, community service, and the scholarship application essay as part of the criteria; you must be currently participating in VEX. This application is for first-year college students who plan on attending Embry-Riddle starting the fall semester.

Personal Information: (please print clearly)

Name ___________________________ Graduation Year ________ Team Number ________
Team Name ___________________________ High School ___________________________
Address ___________________________
City ___________________________ State _____________ Zip ____________
Telephone ___________________________ Email ___________________________
Intended Major ___________________________

Required Essay:

Please write and attach an essay of 500 words or less. The essay should highlight how you envision Embry-Riddle and how the VEX Competition has assisted you in identifying and providing a foundation for your ideal career.

Submitting your VEX Scholarship Application:

Please submit scholarship application, essay and an application for undergraduate admissions as early as possible your senior year. The application for admission should include official high school transcripts, two letters of recommendation, and results of all SAT/ACT tests. You may direct all questions and scholarship materials to:
