

# EMBRY-RIDDLE AERONAUTICAL UNIVERSITY – PRESCOTT

## BUSINESS STUDENT GRADUATION RATE, RETENTION RATE, PLACEMENT RATE, AND PHI BETA LAMBDA ARIZONA BUSINESS COMPETITION AWARD DATA

\* Reflects students in full-time employment or accepted to graduate school, achieved no later than one year from the date of degree completion.

\*\* The National Student Clearinghouse Research Center (May, 2016) reported that the first year persistence rate (retention at the same institution) for all US universities is 60.6%, with a rate of 75.5% for private institutions.

\*\*\* Calculated as the graduation date upon which students are degree-complete, within five years of entering ERAU-Prescott. (Includes several students with dual majors – which can extend the time to graduation.)

\*\*\*\* For the past 11 consecutive years, ERAU-Prescott has won the most total PBL State awards of any AZ university.
