If yes, which animals?

By submitting this form, you agree to have the ERAU Housing and Residence Life Department share the information with students looking for off-campus housing. The list is NOT comprehensive and is NOT an endorsement of the company, property, or student. This list will be shared only with ERAU students and will only include information that has been submitted within the past 30 days. Furthermore, any contract is between the landlord and the student and does not involve ERAU. As with all contracts, we encourage you to read and understand the full contract prior to signing it. You can review the Arizona Residential Landlord and Tenant Act at <https://housing.az.gov/general-public/landlord-and-tenant-act>

ERAU Housing and Residence Life will not share any student's information with any off-campus entity looking to rent a space. Rather, upon student request, we will share the rental space information with the student.

this file when completed and then email it to prhouse@erau.edu
