ADMISSION POLICY AND PROCEDURES

Given the structure and design of the seminar programs with required travel, only students with instructor approval are allowed into the course. Furthermore, the international nature of the programs requires that only qualified, motivated, and responsible students participate to ensure not only a smooth-running program, but students' safety. Priority will be given to students who may not have another opportunity to participate due to their class status and impending graduation. Students must register with a drop/add from signed by the faculty member.

PASSPORT AND VISAS

American citizens traveling abroad must have a valid, current passport. **The expiration date should exceed your return date by at least six (6) months.** Students who do not already have a passport should apply for one immediately. The process takes about 6 weeks; however, in peak travel seasons it may take twice as long. Apply early to ensure receipt of your passport in case it is needed for a visa application. It is your responsibility to track the status of your passport application at all times. **A copy of your passport must be furnished to the Study Abroad Office before you leave for the program!**

Passport application forms for both new applicants and renewals are available by going online to www.state.gov and downloading the appropriate forms. In most cases you can apply for your passport in any main U.S. Post Office.

It is each student's responsibility to check with the appropriate authorities to determine if a visa or other documentation is required to enter and/or remain in a country outside the U.S. and obtain required documentation.

Non-U.S. citizens must check with the appropriate authorities to determine if a visa or other documentation is required to enter another country from the U.S. The Study Abroad Office will furnish a letter to confirm participation in a study abroad program if needed, although it is each student's responsibility to obtain any appropriate visas. For assistance, please see the International Student Services office on your campus.

CANCELLATION POLICY

THIS IS IMPORTANT!! PLEASE READ THIS SECTION CAREFULLY!!

Your student account will be charged a program fee of \$5481.00. This is based on 1 faculty and 10 students. ERAU will enter into contracts TAM C for the program in Israel. Once we start to make payments to TAM C for this program it will be difficult for you to receive any refunds if you drop out. If you cancel your participation before February 24th, 2017 you *may* be eligible for a 100% refund. If you drop out after February 26th you may not be eligible for any refunds, and may have to pay in full for the program (\$5481.00). Much will depend on what we can recoup from the vendors. It may not be possible to refund monies for any expenses that have already been incurred on your behalf and you may be charged the full program fee.

Should an accident, illness, or emergency prevent your participation in the program, **notify the Study Abroad Office immediately**. Appropriate documentation will be required to support your reasons for withdrawing and **all cancellations must be made in writing using the appropriate form available on our applications page online**. Every effort will be made to recoup as much of the program cost as possible; however, you will be liable for any charges incurred on your behalf that have affected the entire program at the time of your cancellation, as well as any pending expenses that cannot be avoided in the period following cancellation. This includes any cancellation penalties incurred by Embry-Riddle Aeronautical University through agencies hired by ERAU to plan and/or implement these programs. Please keep in mind that many program costs are divided by the amount of participants. If you cancel after February 26th, you will be liable for your portion of these expenses.

Lack of financial aid and/or other funding to pay for the trip is not a valid excuse for late cancellation. To avoid problems and financial complications, please ensure that you will have funds available – with or without financial aid or potential grants – before you commit to participating in a program.

A minimum fee of \$1,500 may be applied if you cancel your participation after February 24th, 2017. Cancellation fees may be higher depending on the program and relevant non-reimbursable costs including professor and/or assistant costs that are equally divided among all participants. It may be possible to reimburse you fully ***IF*** we can find a student to replace you.

HEALTH EXAM

You must have a medical/health exam from either by the Wellness Center or by your primary health care provider. Please refer to the Health Form on the ERAU study abroad website for information that must be provided.

You **MUST** complete those parts of the form with information that is to be provided by you **BEFORE** you go to the Wellness Center for your appointment.

STATEMENT OF STUDENT RESPONSIBILITY

The following statement is given to all students studying abroad in Embry-Riddle Aeronautical University sponsored programs. Your signature below indicates your acceptance of the rules and regulations as detailed.

Student Conduct

In all Embry-Riddle Aeronautical University sponsored programs abroad, students are expected to behave in a mature, responsible manner, and at all times abide by university regulations and the policies embodied in the Embry-Riddle Aeronautical University Student Standards of Conduct as well as the laws of the host country. Directors and/or faculty leaders have the authority to dismiss a student from the program at any time, who is following a course of action or behavior harmful to the student, to others, or to the program, including violation of Embry-Riddle Aeronautical University rules and regulations. In such a case, the student will be asked to leave the host University (or other study abroad destination) including program housing and will not be permitted to attend classes. No refunds will be due from Embry-Riddle Aeronautical University, and return transportation costs in such circumstances are the responsibility of individual students.

Embry-Riddle Aeronautical University does not condone and strives to prohibit the unlawful possession, use, distribution, or manufacture of illicit drugs and alcohol by students on its property or as part of any of its activities.

Student Liability

It is understood and agreed that Embry-Riddle Aeronautical University, cooperating organizations, or individual faculty leaders and directors do not assume liability for any injury, loss, damage, accident, delay, irregularity or additional expense arising from the use of any vehicle or services, or from strikes, weather, quarantines, sickness, government restrictions or regulations, or from any act or omission of any railroad, motor coach, airline, or other transportation company, or for any cause whatsoever. Nor is any responsibility assumed for loss or damage to a participant's baggage or personal possessions. All such losses or expenses will be borne by the participant.

ACCEPTANCE AND RELEASE STATEMENT

I understand that I am ultimately responsible for my own behavior during this Study Abroad Program, and am aware that any unruly and disturbing behavior, or acts in violation of Embry-Riddle Aeronautical University's (ERAU) Student Standards of Conduct, may be grounds for immediate expulsion from the program.

Financial Responsibility

I understand that I am financially responsible for providing my transportation to Texas, meals, inoculations, visa fees (if applicable), and any other miscellaneous costs involved in studying abroad. Should I decide to withdraw from participation in a study abroad program, I understand that I must notify the Study Abroad/International Programs office in writing. Furthermore, I will be charged for any deposits and/or advanced payments made on my behalf by ERAU with a possible minimum \$1,500 charge if I withdraw after the published deadline. I understand that I may incur additional financial penalties depending on the date of my notification of withdrawal and on my program's costs.

Assumption of Risk

I understand that participating in the Program entails inherent risks in the various activities in which I will participate during this program. I have been given the chance to ask questions concerning the Program. All such questions have been answered to my satisfaction. Having read this form, I am fully aware of the risks and hazards associated with the Program, and hereby elect to voluntarily participate in the Program. I voluntarily assume full responsibility for any risks of loss, property damage or personal injury, including death, that may be sustained by me as a result of participating in the Program, unless it is caused by the gross negligence or willful misconduct of ERAU, its officers, trustees, agents, employees or volunteers (the "Releasees").

Liability Release

In consideration for ERAU allowing me to participate in the Program, I agree I will not sue the Releasees. I release the Releasees from any and all liabilities, claims, demands, actions, causes of actions, costs and expenses of any nature, whatsoever, arising out of any loss, damage, or injury, including death, that may be sustained by me or to any property belonging to me, arising from the Program and its activities or while upon the premises where the Program is being conducted, excepting those claims arising from the gross negligence or willful misconduct of the Releasees.

Indemnification

I agree to indemnify and hold harmless the Releasees from and against any loss liability, damage or costs, including court costs and attorneys' fees, that Releasees may incur arising from my involvement in the Program, excepting those claims arising from the gross negligence or willful misconduct of the Releasees.

Statement of Physical Fitness

I am physically fit and in a condition that will allow me to participate fully in the Program. I maintain medical insurance that covers me for accidents and illnesses while I am participating in this Program. Releasees are relying on my warranty of my physical condition. I understand the Releasees have not made, nor will make, any investigation into my physical fitness or ability to participate in the Program and Releasees are relying on my warranty of my physical condition. I assume full responsibility for payment of medical expenses not covered by insurance incurred as a result of my participation in the Program.

Emergency Medical Treatment

I grant the Releasees permission to authorize emergency medical treatment as they deem appropriate, and agree that such action by the Releasees shall be subject to the terms of this Agreement. I understand and agree that the Releasees assume no responsibility for any injury or damage that might arise out of or in connection with such authorized emergency medical treatment.

Program Changes

I understand that ERAU reserves the right to make cancellations, changes or substitutions in the Program in cases of emergency or changed conditions, or in the best interest of the group. Should ERAU cancel the Program, full refunds will be made unless the cancellation is due to political, natural, technological or other problems beyond its control in which case ERAU will be able to refund only uncommitted and recoverable funds.

Behavioral Expectations

- A. I understand that all students are subject to ERAU regulations and program guidelines and the laws of the host country. In the event I violate any of these, or I sustain academic failure, or I exhibit behavior that is considered by ERAU to be detrimental to myself, other students, or to the Program, ERAU shall have the right to dismiss me from the program while retaining all tuition and fees. I understand that I shall be responsible for any extra expense I may incur as a result of this dismissal.
- B. I understand that I, as a participant in this program, will be viewed as an ambassador of ERAU and the United States and by signing this agreement pledge to deport myself in a manner that reflects favorably on both.
- C. It is my express intent that this Agreement shall bind the members of my family and spouse (if any), my estate, heirs, administrators, assigns or personal representatives. I agree that this Agreement and any claim arising from my participation in the Program shall be construed in accordance with the laws of Florida (for Daytona Beach campus students) or Arizona (for Prescott campus students), without regard to its conflict of law provision. The courts in Volusia County, Florida and Yavapai County, Arizona shall be the forums for any lawsuits arising from the Program or incident to this Agreement. The terms of this Agreement shall be severable, such that if a court of competent jurisdiction holds any term to be illegal or unenforceable, the validity of the remaining portions shall not be affected thereby.

RELEASE STATEMENT SIGNATURE PAGE

In recognition of the facts stated in the Acceptance and Release Statement, I acknowledge that certain risks are inherent in the various activities in which I will participate during this program. I understand that ERAU as well as its faculty and staff have no control over these risks, and are not responsible for my personal welfare beyond ordinary precautions taken for the safety of students. I therefore agree to assume all responsibility for any and all claims for damages including medical expenses, personal injury or death, disability, loss of wages, loss of earning capacity, and property damages which I may incur or may be incurred against me during my participation in this program.

In signing this Agreement, I acknowledge that I have read this Acceptance and Release Agreement, including the “Statement of Student Responsibility” and any attachments, understand the terms and information in each, and agree to be bound by their terms. I further acknowledge that I sign this Agreement voluntarily.

I have read the above and have willingly signed this document with full understanding of its purpose.

I understand that I must check with the appropriate authorities to determine if a visa or other documentation is required to enter another country from the U.S. I also understand that no refunds will be given to a student due to a lack of proper documentation to enter the country of destination or the U.S. upon return.

Embry-Riddle Aeronautical University / Israel May 2017

Student Code of Conduct (for SAO and Faculty files)

While in Israel, I will abide by Embry-Riddle Aeronautical University (ERAU) standards of student conduct, including those regarding use of drugs and alcohol. Abusing alcohol or drugs will NOT be tolerated and can result in immediate withdrawal from the program with no right to any refund. Violations may result in probation or expulsion from ERAU.

I understand that drug use or possession is a serious criminal offense. There are grave legal and judicial ramifications for drug use or possession, including heavy fines and years in prison. In practice, police can keep violators in custody for days if found with even small quantities of cannabis to prevent networked-trafficking.

As a participant in the Israel 2017 program, I understand that I must comply with standards of conduct articulated in the ERAU Student Handbook, the SSA application, and the Israel 2017 guidebook, as well as the following guidelines in my behavior and interactions with my classmates, faculty, hosts at TAM-C, and local people. I understand that:

- I will be subject to the laws or customs of any country I visit or pass through as well as to applicable rules of ERAU, TAM-C, lodging and other destinations we will visit.
- ERAU and its representatives are not responsible for violation of any law by any student;
- ERAU does not assure that U.S. standards of due process of law apply in any of the countries we visit, nor can ERAU provide or pay for legal representation.
- Neither orientations and briefings, the Israel 2017 guidebook, nor any other planning or advising can cover all situations that may arise during the program.

As a participant in the Israel 2017 program, I will:

- Respect my instructors, classmates, and hosts by following the rules set forth by the faculty and TAM-C during the entire period of the program and at all locations of the program, including the hotel, and any field trip destinations.
- Seek to understand, respect, and accommodate local customs, diets, dress, and schedules, and avoid giving unnecessary offense.
- NOT engage in rude, inconsiderate, or offensive behavior with my instructors, classmates, and hosts.
- Be realistic in my expectations of myself, of others in the group, and local people.
- Keep my hotel room, classrooms, laboratories, and other work areas neat and orderly and in good repair.
- Inform faculty of my schedule and travel plans.
- Be on time for classes, departures, and other scheduled events.
- NOT participate in any political demonstrations or marches.

I understand that, due to the nature of SSA programs, students who have been accused of serious violations of ERAU standards of conduct or local laws may face immediate expulsion from the program, which may in turn may indicate expulsion from the hotel or the host school or immediate return to the United States. Such expulsion does not constitute a finding of "in violation" of the Student Standards of Conduct. Adjudication of student conduct violations, which provides accused students components of fundamental fairness, may be initiated after the student and faculty member have returned to the ERAU Prescott Campus.

My signature below certifies that I have read and understand these guidelines.
