Welcome incoming students and families to the Embry-Riddle family! Your transition to the Prescott campus is important to us. We hope you will take time to read through the information in this guide, reach out and ask any questions you may have and prepare for an amazing journey.

In this publication you will find important information on to-do list items, dates to be aware of, resource contact information and an overview of the Orientation program.

For our first-time freshman- please note that a handful of major Orientation events are mandatory for you. These are important sessions that will help you be most successful at the University and in your future careers. Plan on spending Thursday, August 25th through Sunday, August 28th with the program.

Specialized programming will also be available for transfer students, student veterans, graduate students, international students, flight students and parents/family members.

On behalf of the campus Orientation committee and our 31 Orientation Leaders, we are excited to meet you soon.

Sincerely,

Emily Bauer

Director of Student Engagement
Important Dates

May 1
Registration begins

June 1
Housing contract and $300 security deposit deadline - www.ErauHousingApp.com

July
2016-2017 Financial Handbook available online at:
ERNIE>Services tab>Student Accounts>Financial Handbook
Billing statements accessible to registered students through ERNIE Student Services Center

Mid July
University receives AP/IB score reports and awards credit - check your Student Center and revise your schedule as needed

Late July
Room assignments sent to your ERAU email

August 19
Balance of tuition and fees for Fall 2016 due

August 21
International Student Housing Check-In (international students only) - please bring required documentation of immunizations

August 22-24
International Student Orientation - For international students only

August 24
Move-In Day for On-Campus Students
New student check-in

August 25
New student check-in continues
New Student and Parent Orientation

August 26
New Student and Parent Orientation
Transfer Student Orientation
New Graduate Student Orientation - mandatory

August 27-28
New Student Orientation continues

August 29
Fall 2016 Classes Begin

September 5
Labor Day Holiday

September 29-October 2
OctoberWest Homecoming

October 14
Mid-Semester Break

November 11
Veteran’s Day Holiday

November 23-25
Thanksgiving Holiday - residence halls do not close

December 8
Last day of classes

December 9
Study Day

December 10, 12-15
Final Exams

December 17
Commencement

December 20
Residence halls begin reduced services to students

January 9, 2017
Residence halls resume full services to students

January 11, 2017
Spring Semester classes begin
This information is provided to assist you with your initial entry into the US. Please read carefully.

After receiving your I-20 for F-1 students or DS-2019 for J-1s, check over the details to be sure everything is correct. If you find errors, please contact Andy Fraher at frahera@erau.edu or Debi Parris at deborah.parris@erau.edu. If a corrected copy is needed, we will send it to you as soon as possible. If this is your first time coming to the US in F-1 or J-1 status, you will need to pay the SEVIS I-901 fee, see http://studyinthestates.dhs.gov/students/sevis-i-901-fee and https://www.fmjfee.com/i901fee/index.jsp. Next, schedule an appointment with the nearest US Embassy or Consulate to obtain your F-1 or J-1 visa http://www.usembassy.gov/. You may want to prepare by visiting https://studyinthestates.dhs.gov/2015/06/five-ways-to-prepare-for-your-visa-interview. Once your visa has been issued let us know at frahera@erau.edu.

When you have made travel arrangements to the US, please forward your itinerary by email to deborah.parris@erau.edu. You are allowed to enter the US up to 30 days from the program start date, but not earlier.

Be sure to keep the following documents in your carry-on bag for easy access upon your arrival in the US:

- **Unexpired passport**, valid at least 6 months beyond the date of your entry
- **Valid F-1 or J-1 visa** (unless you are a Canadian citizen)
- **Receipt from I-901/SEVIS fee payment**
- **Financial support documents** used to obtain your visa
- **I-20 (F-1) or DS-2019 (J-1)** (make sure you have signed the form at item # 11 on front page)

Upon arrival in the US, you should proceed to the inspections area where you will present the documents listed above. At the primary inspection, you will have a brief interview by an immigration inspector who will also examine your documents. You may be asked the purpose of your visit to the US; be sure to tell the inspecting officer that you will be a student and have the school’s address available. They may also collect biometric data from you including a photograph and digital fingerprint.

It is possible you will be asked to go to secondary inspection to verify information in more detail. If this happens to you, please remember to be patient, as this is a normal part of the entry process. If you have difficulty entering, you may ask the inspecting officer to contact an international student advisor at the school. Have them call the Safety Office at 928-777-3333, and they will contact us. It is a good idea to plan sufficient time for connection flights or airport pick-ups to accommodate a possible secondary inspection.

**ARRIVING IN PHOENIX**

If you are travelling to Prescott through Phoenix, you will arrive at Phoenix Sky Harbor International Airport. There is a shuttle service that runs between Phoenix and Prescott (see Local Area Information on page 11). If you will be living on campus, it is recommended that you purchase a “door-to-door” service so the shuttle can drop you directly at the Embry-Riddle campus. Ask to be dropped at Haas Commons.

**ON CAMPUS**

When you arrive on campus, go to the Housing & Residence Life Office located in Haas Commons (Building 73) to check in to your residence hall. Once you have submitted all immunization records to the Wellness Center, you will be able to check in to your room. You may begin moving in to your campus residence on Sunday, August 21 from 8:00am to 8:00pm. If you are arriving outside this time frame, please contact Debi Parris at deborah.parris@erau.edu to make arrangements in advance. If you arrive earlier, you should make plans to stay in a local hotel.

Be aware that you must have all records of immunizations on file to be allowed to check in to housing. If the Wellness Center does not have your immunization records, your check-in will be delayed. Be sure to submit them in advance and bring copies of all your immunization records!
Check the “To Do” list in your ERNIE Student Center to see which of these items are pending or complete.

☐ Set up your ERNIE account at ernie.erau.edu. Click on “Activate Your Account” and follow the prompts.

☐ Submit housing security deposit of $300 at erau.edu/deposit and complete housing application found at www.ErauHousingApp.com (see pg. 9).

☐ Submit an enrollment agreement through ERNIE. Under Forms and then Records and Registration, click the Enrollment Agreement link. Required by the State of Arizona. Must be submitted prior to the start of the term to avoid registration hold, housing check-in hold, Eagle Card hold, inability to pay bill and other holds.

☐ Submit a financial disclosure through your ERNIE student center. Scroll down to the Finances section and click on the Complete Fin Disclosure link. Click on the Grant Permissions button and follow the steps. Must be submitted within 60 days of class registration to avoid a registration hold.

☐ Have your official final high school transcript (must include graduation date) and/or official transcripts from all colleges previously attended mailed directly to the Embry-Riddle Admissions Office - Prescott Campus.

☐ All Flight Students – carefully review Aviation and Transportation Security Act (ATSA) information (see Pre-Flight Checklist, pg. 7-8). Original documents must be presented in person during orientation. Non-U.S. citizens should note special instructions regarding ATSA.

☐ All Flight Students – obtain and bring FAA Medical Certificate and Student Pilot Certificate (see Pre-Flight Checklist, pg. 7-8).

☐ Bring FAA certificates and log book (experienced flight students only).

☐ Complete Medical Report Form found at prescott.erau.edu/campus-services/wellness/medical-forms; provide proof of 2 measles, mumps and rubella immunizations, 3 Hepatitis B injections and a Meningococcal vaccine. Must be on file in Wellness Center prior to August 19 to avoid registration hold, housing check-in hold, Eagle Card hold, inability to pay bill and other holds.

☐ Health insurance is mandatory. If you have comparable health insurance and want to opt out of the University policy, you must complete the waiver through ERNIE between July 8 and September 6, 2016 or you will be charged the fee (see pg. 9). International students should show their comparable coverage to Debi Parris in the Center for International Programs and Services (CIPS).

☐ Register your vehicle online by going to prescott.erau.edu/about/security and clicking on the link to Online Parking Registration in the right hand column. You will be provided with a temporary permit to print and display on your dashboard. You will receive your permanent parking permit sticker by mail within ten days.

☐ Apply for your Eagle Card (student ID). Log on to your ERNIE account and click on Forms, then on the Apply for EAGLEcard link. You must include a photo in order for your card to be ready for pick-up at orientation.

☐ Bring course outlines/syllabus if transfer credit is uncertain (may be helpful).

☐ Bring a course outline of previous engineering courses (Engineering transfer students).
Registration Instructions (undergraduate)

Registration instructions are located in ERNIE under the Services tab. Look for the registration guide under the header for your college. Once registered, your academic advisor will review your schedule and verify you are in the correct classes. Upon approval, a hold will be placed on your account which will block further changes to your schedule. If you require any schedule changes after this hold is placed, contact your academic advisor for assistance.

If you are accepted conditionally, please contact your academic advisor to register.

If you plan to fly and you are not already registered for your flight courses, please contact Scott Ritchie at (928) 777-3898 or ritchis1@erau.edu.

Engineering students should attempt to register prior to July 22 for optimal course availability.

If you are transferring from another institution and we have not received your official transcript, you will not be awarded official credit and will not be able to enroll in subsequent courses. Because we do not receive AP score reports until July, your anticipated credit will not be factored into your initial class schedule. An official evaluation will be completed once we receive your official transcript and/or score report; credit will be awarded, and you will be able to move to the appropriate class(es).

Please note: if you have been admitted provisionally, you will not be able to register for classes until we have received evidence that you have met your provision. Please send updated official transcripts as soon as possible to allow you to register for classes on time and release the hold currently on your account.

The advisors are available Monday-Thursday, 7:00am-5:00pm (PST). You may call toll free 1-800-888-3728 and ask to be transferred to the academic advisor for your college.

Graduate students (master’s programs) see page 15 for registration details.
Pre-Flight Checklist for Flight Students

All students intending to pursue flight training at Embry-Riddle should carefully review the following information. Failure to comply with pre-flight requirements will delay the start of your flight training.

The following are required to be presented at New Student Orientation prior to the start of classes:

1. **Proof of U.S. citizenship (non-U.S. citizens please see information on pg. 8)**

   The Aviation and Transportation Security Act (ATSA) requires that all U.S. citizens taking flight training must show proof of U.S. citizenship. These requirements must be met prior to the start of any flight training. Proof of U.S. citizenship may be presented by submitting one of the following original documents. Please provide only **original** documents. Photocopies, even certified copies, are not acceptable. **If using other than a valid passport, a current government issued photo identification document will also be required.**

   • A valid, unexpired U.S. passport
   • An original birth certificate documenting birth in the United States or one of its territories*
   • An original U.S. naturalization certificate with raised seal, Form N-550 or Form N-570
   • An original certification of birth abroad, Form FS-545, Form DS-1350, Form FS-240 –OR– An original certificate of U.S. citizenship, Form N-560 or Form N-561

   * 49CFR Part 1552 states “the individuals original or government issue certified U.S. American Samoa, or Swains Island birth certificate, together with a government-issued picture identification of the individual.”

   **Please do not mail original documents; bring the original documents to orientation in person. Students will not be allowed to start their flight training until this documentation is submitted. There are no exceptions to this regulation. Flight students may contact Flight Records with questions, Building F-6, 928-777-4327.**

2. **FAA Medical Certificate (required for ALL flight students)**

   All students planning to begin flight training at Embry-Riddle are required to hold a current First or Second Class Federal Aviation Administration (FAA) medical certificate. Aviation Medical Examiners (AMEs) are designated by the FAA to issue these certificates, following completion of an application and a physical examination. AMEs can be found in most U.S. cities and in major cities abroad. A directory is located at the FAA Web site, [http://www.faa.gov/pilots/amelocator/](http://www.faa.gov/pilots/amelocator/).

   Please be aware that past medical and/or legal problems, including drug- and alcohol-related convictions, could result in you being denied a medical certificate even if you feel you are in good health. All previous medical and legal issues should be evaluated before you begin your education for an aviation-related career; if they are not, delays are common. You will not be allowed to enroll in flight laboratories without a FAA medical certificate. Therefore, to avoid delays, we advise you to obtain your medical certificate before coming to Embry-Riddle. For students coming from countries outside of the United States, please contact the Airman Certification Coordinator at the Flight Department prior to obtaining a medical certificate. In some cases, medical certificates may not be valid. If you have significant medical and/or legal problems, be sure to bring copies of medical and/or court records for your FAA medical examiner to review.

   Both the government and the aerospace industry consider drug- and alcohol-related convictions (yes—paying a fine is a conviction) a serious problem. Medical and behavioral standards for professional pilots and air traffic controllers are among the highest in our society. Mistakes, poor judgment, and other “indiscretions of youth” can have lasting consequences for your career. Prevention through responsible behavior is key.
3. Student Pilot Certificate (FA 121 Flight Students)

In addition to the FAA Medical Certificate described above, students enrolling in FA 121 are required to obtain a Student Pilot Certificate prior to enrollment. The Student Pilot Certificate can be issued at your local Flight Standards District Office (FSDO), a Designated Pilot Examiner or it can be issued by the ERAU Flight Records office upon your arrival for orientation. If you choose to have your certificate issued by the Flight Records office, you must contact them at 928-777-4323 or 928-777-4327 upon arrival. Local Designated Pilot Examiners may be found at http://av-info.faa.gov/DesigneeSearch.asp or visit http://www.faa.gov/about/office_org/field_offices/fsdo/ to locate your local Flight Standards District Office.

4. Certificates or Flight Ratings Earned Before Enrolling at Embry-Riddle

Original certificates must be presented in the Records Office for possible advanced standing credit. Copies can be sent to Admissions prior to enrollment for unofficial transfer credit evaluation.

INFORMATION ABOUT FLIGHT TRAINING FOR NON-U.S. CITIZENS

Non-U.S. citizens must comply with the U.S. Department of Homeland Security (DHS) notification requirements. All non-U.S. citizens must register with the Transportation Security Administration (TSA) online. The students are required to submit a training application, fingerprints, a valid passport and student visa along with a processing fee to the TSA. The students can register for flight courses and begin flight training as soon as the TSA approves the training request. Some advanced flight courses may require a waiting period of up to 30 days. If Embry-Riddle receives any directive from the DHS or the TSA, the student may be administratively withdrawn. This information and fee, but not the fingerprints, must be sent prior to starting additional specific flight courses and will be managed through Embry-Riddle’s Airman Certification Coordinator at the Flight Training Center.

Questions or need help? Contact the Airman Certification Coordinator at 928-777-4327.

COST OF FLIGHT TRAINING

Flight costs are not covered by your tuition payments. For detailed information on flight costs per year and per course, visit prescott.erau.edu/admissions/estimated-costs/index.html. Subject to change.

DRUG-TESTING PROGRAM

In the effort to maintain a work and educational environment that is safe for its employees and students, the University has established a mandatory flight student drug-testing program. Success in the aviation industry requires a commitment to excel and the discipline to avoid unsafe practices. The use of illegal drugs constitutes an unsafe practice and is incompatible with an aviation environment. All students entering the flight training program are subject to random and post-accident drug testing in accordance with the policy outlined in the Undergraduate Catalog prescott.erau.edu/degrees/catalog. The University reserves the right to immediately suspend or dismiss any student who uses or possesses illegal drugs.
ON CAMPUS HOUSING
Housing information, including floor plans, rates, and meal plan options, can be found on the University website at prescott.erau.edu/campus-life/housing. To apply for housing, submit the $300 security deposit online at erau.edu/deposit and complete the application through www.ErauHousingApp.com. You will login using your ERNIE account ID and password. Both your deposit and application must be submitted for you to secure on-campus housing. When room assignments have been made, a confirmation of your assignment will be emailed to your ERAU email account. Be sure to read the housing terms and conditions. For help, contact Housing and Residence Life at prhouse@erau.edu or 928-777-3744.

FINANCIAL AID
If you have filed your 2016-2017 FAFSA and have not received a confirmation of financial aid awarded to you, please contact the Financial Aid Office as soon as possible. All aid awarded to you should be confirmed before your arrival on campus. The Financial Aid Office can be reached by calling 1-800-888-ERAU, extension 3765 or fax 928-777-3893.

COSTS AND PAYMENTS FOR 2016-2017 ACADEMIC YEAR
Refer to the 2016–2017 Financial Handbook, available online at ERNIE>Services tab>Student Accounts>Financial Handbook for information regarding tuition, flight, housing, meal plan costs and fees. REMEMBER – PAYMENT IN FULL FOR DIRECT UNIVERSITY COSTS, INCLUDING TUITION AND FEES, IS DUE BY AUGUST 19, 2016. You must be registered for classes in order for a bill to be generated. To view your account statement in the Student Center scroll down to the Finances section, click the link to My Student Account (Access Account). Click on the My Account link in the menu bar at the top of the page.

Students’ class schedules are activated upon receipt of payment or enrollment in a payment plan.

All credit card charges paid on your student account (tuition, housing, meal plans, parking, fines and fees) and flight payments made through the Education and Training Administration (ETA) system will incur a 2.75% processing fee.

MANDATORY HEALTH INSURANCE
Embry-Riddle requires all students to have health insurance. To help fulfill this requirement the University offers a basic insurance plan that is underwritten by United Healthcare. The plan is offered at a greatly reduced premium and is renewable on an annual basis. Enrollment is automatic. Students who already have private coverage that is comparable to the plan that the University offers may be allowed to waive out of the university sponsored plan. You must complete the waiver in order to avoid this charge to your student account. Additional information regarding the plan highlights and instructions for those who wish to waive out will be forthcoming from United Healthcare. For more information please contact the Wellness Center, 928-777-6653. International students are required to carry the University’s insurance plan unless waived by demonstrating comparable coverage through Debi Parris in the CIPS office. This process will take place during orientation.

IMMUNIZATIONS
A Medical Report Form is required and has been enclosed with this booklet; also found at prescott.erau.edu/campus-services/wellness/medical-forms. All students born after Dec. 31, 1956 must provide proof of two doses of MMR (Measles, Mumps, and Rubella) administered on or after January 1, 1968 and on or after their first birthday. All students who reside in University housing must either document the immunizations for Hepatitis B and Meningococcal Meningitis OR sign a waiver declining vaccination. Vaccines are given at the Wellness Center.

Immunization records and the Medical Report Form must be on file in the Wellness Center prior to August 19 to avoid registration hold, housing check-in hold, Eagle Card hold, inability to pay bill and other holds.
DISABILITY SUPPORT SERVICES
The Disability Support Services (DSS) Office provides services to qualified students with disabilities. Prospective students are strongly encouraged to contact the DSS Office at least two months in advance. For disabilities that require accommodations related to housing on campus, incoming students should contact DSS at least four months prior to their expected term start date. Please see the DSS web site for additional information including policies and procedures. Contact the DSS office directly by email or phone: marcee.keller@erau.edu or 928-777-6750.

A MESSAGE FROM CAREER SERVICES
The annual Industry/Career Expo is September 29 — a mere month after the fall term begins. This is an opportunity for students to meet and talk with employers about jobs and internships. All freshmen are encouraged to visit the expo and begin building both their confidence and network of professional contacts by talking to recruiters or even just observing upper classmen.

To that end, you should bring with you to campus business casual clothing, appropriate for a business setting. For men, this can be khakis, polo shirt and non-athletic shoes, or dress slacks, button-down long-sleeved shirt and dress shoes. For women, dress slacks and blouse with sleeves, simple skirt or modest dress (length to the knee or directly above) and cardigan or jacket. Blazers for both are a great addition, depending on the weather. Mini-skirts, short party dresses, revealing clothing, athletic attire, shorts, flip flops, and the like are not appropriate, and students wearing these items will not be admitted to the expo.

Students should plan on adding a suit to his or her wardrobe no later than junior year when interviewing for internships begins in earnest (if not sooner). We have found that students often have difficulty coming up with professional clothing at the last moment, so we’re asking parents to keep this need in mind. You will need a suit: to make a good first impression, to give you the confidence that comes from knowing you’re appropriately dressed, to position yourself for success. It’s important to look the part!

GET CONNECTED
New undergraduate students can start meeting future classmates through the Embry-Riddle - Prescott Facebook app. You can link to the app and join the Embry-Riddle community at prescottapp.erau.edu. See upcoming campus events on the Embry-Riddle Control Tower page at TheControlTower.erau.edu.

COMPUTER RECOMMENDATIONS
It is not required that a student own a desktop or laptop in order to be successful at Embry-Riddle. There are plenty of on-campus resources for students including multiple computer labs as well as laptops available for checkout in the library. Junior and senior engineering students will be utilizing on-campus computer labs for engineering software tools that are beyond the typical college student budget.

If you are planning to purchase a computer, Embry-Riddle students can use their school email address at Dell and Apple online stores to receive student discounts on these purchases. Lastly, we offer a selection of free operating systems and Microsoft Office suites downloadable through ERNIE, so don’t pay for this software with your computer purchase. Please contact IT if you have further questions or require technical support at 928-777-6990 or ITSupport@erau.edu.

IPAD REQUIREMENT FOR FLIGHT STUDENTS
All flight students are required to have an Apple tablet for utilization of flight planning software during flight activities. An iPad mini is recommended.
New Student Orientation (undergraduate)

Your college experience is about to begin! Orientation is your first opportunity to become a part of the campus community, meet your future classmates and colleagues, and create lifelong friendships. You’ll want to take these few days to get settled in and take care of business, but most of all, expect a memorable time while you enjoy social and educational activities we have specifically designed for you.

New student check-in will begin at **9:00am on Wednesday, August 24**. This day is designated as your day to get moved in to your residence hall. Students will have time to complete checklist items: register your vehicle, pick up your mailbox key, buy your books, clear TSA requirements for flight, etc. The remaining days are packed with programs and activities to both educate you on your academic program and campus policies, and most importantly, to help you begin building social ties within the student community. We’ve got some exciting events planned that you won’t want to miss!

**PASSPORT PROGRAM**
The Passport to ERAU program is designed to welcome you and aid in your transition to college life at Embry-Riddle Aeronautical University. Students receive their passport during orientation and over the course of six weeks have various opportunities to earn “stamps” before resubmitting the booklet. Through the program, you can participate in fun co-curricular events, engage with your fellow passport members, and become familiar with valuable resources on campus. The idea is simple. Participate in and/or visit multiple destinations during the program, collect stamps (stickers) at each destination, and you will have the opportunity to win valuable prizes! The more you complete…the better the prize—with the grand prize being a free semester of on-campus housing!

**STUDENT ORIENTATION LEADERS**
A team of current student leaders will be on campus during orientation to help guide you through orientation and your first week at Embry-Riddle. New students will be placed together in groups led by an orientation leader. These groups will get together throughout the weekend so that students can meet new people, get questions answered, and have fun.

**PARENT ORIENTATION**
Parents are invited and encouraged to attend orientation with their student on Wednesday, August 24 through Friday, August 26. Special programming led by our Dean of Students will also address specific concerns that parents have as they send their students away from home for the first time. They’ll also have the opportunity to meet with many of the staff and faculty. Parent programming ends on Friday, and parents are encouraged to leave or do some Arizona sightseeing on their own for the remainder of the weekend so that students can start adjusting to their new home and building friendships. Parents are also encouraged to join the Prescott Parents Association (prescott.erau.edu/parents) for ongoing communication. There is no cost to join. Members receive periodic emails about campus happenings and news, a discount at the campus bookstore, invitations to regional meetings and opportunities to be involved with the Parents Association.

**LOCAL AREA INFORMATION**
You may find directions to our campus at prescott.erau.edu/about/directions and Prescott area information at prescott.erau.edu/about/area_info.

If you need to arrange transportation to Prescott from Phoenix Sky Harbor International Airport, the following van shuttles run between Phoenix and Prescott:

- Arizona Shuttle 928-442-1000 www.arizonashuttle.com
- Fly-U Shuttle 928-445-8880 flyushuttle.com
New Student Orientation Schedule (undergraduate)

Schedule is tentative and subject to change. Parents are invited to participate in events listed in blue.

Monday, August 22 - Wednesday, August 24

International Student Orientation - International students only

Wednesday, August 24

9:00am - 8:00pm  Move-In Day for On-Campus Students
                  New Student Check-in

9:00am - 5:00pm  “To-Do” Checklist Completion
                  Flight Student Check-In
                  Pay Student Account Balances

9:00am - 3:00pm  Advising and Registration - optional
                  Disability Support Services Available

12:30pm - 1:30pm Air Force ROTC Information

2:00pm - 3:00pm  Army ROTC Information

3:00pm - 6:00pm  Fly on the First Day! - info session for flight students

4:00pm - 8:00pm  Shuttle Service to Local Shopping Centers

8:00pm - 10:00pm Student Union Game Night

Thursday, August 25

8:00am - 8:00pm Late Housing Check-In

8:00am - 5:00pm New Student Check-in continues

8:00am - 5:00pm Transfer Questions

9:15am - 10:15am Welcome & Kickoff - mandatory for first time freshmen

10:30am - 12:15pm Meet Your Orientation Leader - mandatory for first time freshmen
                  Letting Go While Holding On - For Parents

12:15pm - 2:00pm Barbeque

12:15pm - 3:00pm “To-Do” Checklist Completion
                  Pay Student Account Balances
                  Flight Student Check-In
                  Community Resource Fair

1:00pm - 3:00pm Hazy Library Open House
                  Chapel Fair and Counseling Open House

1:00pm - 3:00pm Advising and Registration - optional

1:30pm - 2:30pm Housing and Dining Information Session

3:00pm - 4:00pm Hoan Do - Let’s Talk Success - mandatory for first time freshmen

3:00pm - 5:00pm Chancellor’s Parent Reception - parents and family

5:00pm - 6:00pm College of Engineering Student Meeting

5:00pm - 7:00pm Dinner with Your Orientation Group

5:00pm - 7:00pm Veterans Information Session and Reception

8:00pm Board of Campus Activities Presents: Movie Night
Friday, August 26

8:00am - 8:00pm  Late Housing Check-In

4:00pm - 6:00pm  Residence Hall Floor Meeting - mandatory for first time freshmen
7:00pm - 9:00pm  One Ton Sundae, Karaoke, and Greek Open House
HOAN DO

Hoan Do is a student success coach, author, and competitor in NBC’s hit show, American Ninja Warrior.

From an early age, Hoan was conscious of the sacrifices his parents had made in their escape to the United States during the Vietnam War—pursuit of the American Dream. Feeling indebted to his parents for their courageous pursuit of a better life, Hoan vowed to ensure that one day, he would be able to take care of his parents. Hoan’s hard work took him to Malibu, California, where he attended Pepperdine University, fully engaging in the academic rigor and array of opportunities that the school offered.

With the tremendous pressure Hoan placed on himself, in addition to the stresses of demanding classes, extracurricular responsibilities, and important life decisions, Hoan found himself overwhelmed. His self-esteem reached an all-time low. He even contemplated suicide. Refusing to settle and give up on life, Hoan used this experience as a turning point to learn the practical skills that were necessary to succeed in school and in life.

After graduating from Pepperdine University, Hoan beat out candidates who were considerably older and vastly more experienced than him to work with the #1 personal development company in the world. As a national speaker and corporate trainer, Hoan conducted training sessions for distinguished audiences that included: 21, Bank of America, Honda, Toyota, UBS Financial, Chambers of Commerce, and the U.S. Army.

Recognized as the best youth mentor by the International Examiner, Hoan travels across North America speaking at colleges, high schools, and associations sharing practical advice that helps students to succeed in school and in the real world.

Hoan is young enough to relate to students, yet old enough to provide life changing advice. His engaging style and ability to share important life lessons in a way that students resonate with has earned him the Verizon Wireless Motivator Award.

NATE BURKE - GREEN DOT

The Green Dot etc. strategy is a comprehensive approach to violence prevention that capitalizes on the power of peer and cultural influence across all levels of the socio-ecological model. Informed by social change theory, the model targets all community members as potential bystanders, and seeks to engage them, through awareness, education, and skills-practice, in proactive behaviors that establish intolerance of violence as the norm, as well as reactive interventions in high-risk situations—resulting in the ultimate reduction of violence.
REGISTRATION

Registration for classes will take place at New Graduate Student Orientation on August 26. Time will be set aside for you to meet with your academic advisor and register for your classes together.

Please note: if you have been admitted provisionally, you will not be able to register for classes on August 26 if we have not received your official final transcript showing completion of a bachelor’s degree. Please send your official transcripts as soon as possible to allow you to register for classes on time and release the hold currently on your account.

Please contact your academic advisor for more information regarding the registration process:

Dr. Geoffrey Jensen
M.S. in Security & Intelligence Studies
