

Wellness Center

Welcome New ERAU Student!

It is important that new students send the **required** medical report form and immunization record to the Wellness Center ASAP. If you believe you have already submitted these documents but find they are still on your **ERNIE** to do list, contact the Wellness Center.

If we have not received the required forms by August 17, 2020 you will be placed on a medical hold.

We would like to avoid any inconvenience that a medical hold will cause you during orientation such as preventing you from checking in to your dorm room or changing your class schedule. By sending the information required by the University before your arrival on campus, you can avoid the extra step of checking in with the Wellness Center during Orientation.

More information on the Wellness Center and the required documents can be found on our **[website](#)**. Please submit your **[medical report form](#)** to the email or fax number provided on the top of your medical report form as soon as possible.

Thank you for your cooperation in this matter. We look forward to seeing you soon!
