Phi Kappa Phi is the nation's oldest and most selective honor society for all academic disciplines. Only the top 7.5 percent of second-term juniors and top 10 percent of seniors and graduate students at ERAU Prescott receive this honor. Since the Prescott Chapter's inauguration in September of 2016, over 100 students have been initiated.

The ERAU Prescott Chapter is proud to announce it will be awarding the inaugural **Dr. Hyman L. Bloom Memorial Phi Kappa Phi Endowed Scholarship for Women** this year. Established by Dr. Richard and Nancy Bloom, this scholarship aims to benefit female students who are the first in their families to attend college and are members of the prestigious Phi Kappa Phi honor society. Applications will be reviewed in the spring and the scholarship awarded in the following fall semester.

The Prescott Chapter also continues to build a principal amount for scholarships to further benefit members in the society. Gift are continually accepted towards the creation of a permanent endowment. Please consider making your tax-deductible gift through the following secure website: <https://givingto.erau.edu/pkp>
