

Software Engineering (2020-2021 Catalog) STANDARD TRACK (126 credits minimum)

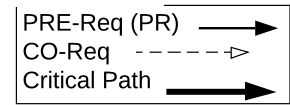

All courses listed on the flowchart must be successfully completed. Underlined courses are only offered in the semester they are listed.

See catalog for official degree requirements. Pre- and corequisites are subject to change as they are specific to academic year, not the catalog year.

IMPORTANT: Software engineering majors are required to have a grade of C or better in all prerequisite courses for courses with the CS, CEC, EE, EGR, ES, or SE prefixes specifically listed in the catalog as required for the major. On flowchart, **C** in course block indicates a grade of C or better is required to advance.

SPACE OPTION: The Software Engineering degree includes a space option in which EP 394, AE 427, and AE 445 substitute for a technical elective, SE 450, and SE 451.

Refer to catalog for General Ed course options.
