“The purpose of this worksheet is to verify your assets that were reported and/or not reported on questions 90-92 of your 2018-2019 Free Application for Federal Student Aid (FAFSA). Based upon review of your Free Application for Federal Student Aid (FAFSA) and/or federal tax return transcripts submitted, additional information is needed to clarify the total value of your assets. You either left questions blank on the FAFSA, or your 2016 federal tax return transcripts lists asset-generated income (interest, dividends, capital gains, etc.) which does not appear to be reported correctly on the FAFSA. Enter a ZERO if the answer is 0 or if the item is not applicable. Do not use cents; please round to the whole dollar amount.”
