Please Park Thoughtfully

A current, properly displayed, Embry-Riddle vehicle registration decal is required to park on campus.

Registration does not guarantee the availability of a parking space in a particular lot.

The **Visitor Only Parking** area in **Lot G** outside the Visitor Center (Building 41) is for the use of guests of the University only.

Do not block sidewalks or the drive lane with your vehicle, truck bed, or towing hitch. Over-sized vehicles may park in **Lot F**. “If you don’t fit, don’t park.”

Temporary vehicle permits for visitors, guests, and vendors on campus for the day are available at the Campus Safety & Security Office in Building 14, 24 hours a day, seven days a week.

Do not bring vehicles or vehicle parts into any University building for storage, cleaning, or repair (except for Facilities Maintenance).

Do not store spare parts, wheels, tires, or vehicle maintenance equipment in parking lots or in adjacent landscaping.

A vehicle may be towed from campus if it is parked in a fire lane, blocking a fire hydrant, blocking other vehicles or pedestrian crosswalks, blocking access to a dumpster or loading area, is judged abandoned, or constitutes a hazard. Vehicles are towed at the sole expense of the owner/operator of the vehicle.

Parking of RVs or camper trailers on campus may be approved for brief family visits by registering with the Campus Safety & Security Office in Building 14 (24/7). Otherwise, no person may sleep in or remain overnight in any vehicle on University property.

Embry-Riddle Aeronautical University assumes no liability for damage to or theft of any vehicle or its contents; for loss of any article of personal property; or for injury or death of persons in vehicle accidents while on University property.

Bicycles

You may ride bicycles and other forms of non-licensed wheeled transportation, such as skateboards, razors, or roller blades, outdoors on paved surfaces, but not indoors. Please operate these conveyances carefully and yield Right-of-Way to pedestrians at all times.

If you operate a bicycle between sunset and sunrise on campus you are required to have a white front light and a red rear light.

Gasoline-powered bicycles are permitted only on campus roads, not sidewalks.

We strongly recommend that you wear a helmet when operating these vehicles.

Please lock your bicycles only to the bicycle racks provided by the University. Bicycles attached to any other University property, such as handrails, furniture,

trees, piping, or conduit, may be subject to removal at the owner’s expense. Unregistered bicycles locked to bicycle racks at the end of Spring Semester will be removed by cutting the lock and donated to charity.

Other Power Driven Mobility Devices (OPDMD)

Persons with special mobility needs may only operate *Other Power-Driven Mobility Devices* (OPDMD) inside Embry-Riddle buildings after documenting their need for such an accommodation.

Storage of electrically powered vehicles in residence hall rooms is permitted so long as they do not interfere with access to or egress from the room or suite. Do not park OPDMD in building stairwells, stair towers, corridors and ramps inside or outside of buildings, or in marked parking spaces.
