Audits, Withdrawals, Repeats & Non-Required Courses are NOT COVERED benefits under the Post 9/11 GI Bill®

The law prohibits payment for auditing a course or payment for any course for which the grade assigned is not used in computing requirements for graduation. This includes repeats of grades of "D" or better including transferred credit (unless a higher grade is required); withdrawals, and courses which are not applicable to your declared degree objective. This does not apply to repeats of required courses, which you have failed. The same rule applies if you think you should have received credit for a course previously taken. The Department of Veterans Affairs will not pay for duplicate credit.

If you are unsure which courses are applicable to your declared degree plan, please contact your Academic Advisor.

Contact the ERAU VA Office before withdrawing, auditing, or repeating a course.

I understand that the U.S. Department of Veterans Affairs requires all persons receiving education benefits to promptly inform the ERAU Veterans Affairs Office of any changes to the above schedule. I have read the above statement and understand that I am responsible for all decisions made contrary to the above statements:
